Re: Annual Review of Base Rates for Fuel Costs of Duke Energy Progress, LLC  
Docket No. 2019-1-E

Dear Ms. Boyd:

It has come to our attention that a table contained within Exhibit 2 of Brett Phipps' pre-filed direct testimony filed by Duke Energy Progress, LLC (the "Company") on April 26, 2019 in the above-referenced proceeding contained an alignment error. In particular, the MBTUs listed in the Summary of Gas Purchases table for the review period (i.e., the twelve months ended February 2019) on page 2 of Phipps Exhibit 2 were misaligned. The correction of this alignment error does not affect the ultimate sum calculation or rate in this case. For purposes of clarity, however, the Company is filing herewith a Revised Phipps Exhibit 2 to replace the originally filed exhibit.

Should you have any questions about this filing, please let me know.

Kind regards,

Sam Wellborn
